

# Fiche technique

## ***PEBEO Fantasy Moon Effect Paint***

### **Properties:**

**Fantasy Moon** are the new textured effect pearlescent and opalescent colours that have been developed by PEBEO. With the 18 solvent-based **Fantasy Moon** colours you can obtain fabulous effects whether you are a beginner or an expert in creative leisure.

**QUALITY:** Textured effects, hammered, pearlescent and opalescent.

Solvent-based, ready to use colours.

Application with a brush in thin or thick coats.

Good resistance to light.

**MIXING OF COLOURS:** The colours can be mixed together.

**DRYING:** to the touch in 2 hours, completely dry in 10 hours.

**SURFACES:** Glass, mirror, terracotta, acetate, ceramic, canvas, metal, wood...

**DILUTION - CLEANING:** Odourless mineral spirit or turpentine.

**OPACITY:** Varies according to the thickness of the application. In a thin coat, an opalescent finish is obtained. In a thick coat, an opaque finish is obtained.

**FINISH:** Glossy.

**MAINTENANCE (DECORATED SURFACES) :** Once dry, the colours resist to a light wash without soaking. Do not machine wash.

**NUMBER OF COLOURS:** 18 colours.

**CONDITIONING:** 45ml bottle – all colours.

## **Application and Helpful Hints**

- Stir the colours thoroughly with a stick before use.

The **PEBEO Fantasy Moon** colours:

- Can be applied with a flat brush in thin or thick coats on carefully degreased surfaces.
- Can be used on fresh **Vitrail** transparent colours to obtain marbled effects.
- Can be used with the **VITRIL** cerne relief with nozzle.
  
- The use of the **VITRIL Sparkling Medium** adds glittering effects.
- To obtain pronounced marbled effects, **CERAMIC** colours can be applied over **Fantasy Moon** colours.
- To add a rounded effect to your creations, use the **Gédéo Glazing Resin** over very dry **Fantasy Moon** colours (48 hours minimum).
- The objects decorated with the **Fantasy Moon** colours must be considered uniquely as decorative objects and only surfaces that are not intended to be in contact with food can be decorated.
- Keep out of reach of children. If swallowed get prompt medical attention and show the packaging or label.
