The New Montana ACRYLIC Markers

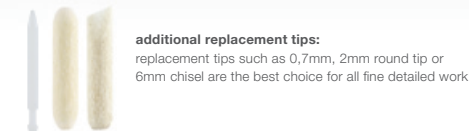

24 high quality water-based acrylic colors

The New Montana ACRYLIC Markers & Paints

The new Montana ACRYLIC Marker range is available as 15mm Standard, 30mm and 50mm broad tip as well as a FINE & EXTRA FINE Marker. The 0,7mm EXTRA FINE or 2mm FINE tip are ideal for all your fine detailed work. As with the larger marker range, each marker is filled with a high quality water-based paint and is available in 24/12* vibrant colors that match to corresponding colors in the Montana GOLD spray paint series. *(EXTRA FINE Marker is available in 12 colors). The series consists of 21 Montana GOLD Shock colors as well as Iron Curtain, Gravel and Outline Silver. The paint is light-fast, water

proof and abrasion proof allowing application to almost any surface. The optimum flow control pump-valve system allows accurate handling and application. The transparent marker bodies allow for easy assessment of remaining marker content. Replacement tips are separately available. The solvent free ACRYLIC Marker range is ACMI approved and carries the AP mark of non-toxicity. Use on almost any surface. Ideal for interior & exterior use. Available in 24 UV-resistant colors. Weatherproof. See color table on back side.

- water based + solvent free
- replaceable felt tips/ refillable marker bodies
- matte & quick drying colors

additional replacement tips:
replacement tips such as 0,7mm, 2mm round tip or 6mm chisel are the best choice for all fine detailed work!

The New Montana ACRYLIC Paints 180ml & 25ml

The New Montana ACRYLIC Refills in 180ml and 25ml complete the Montana ACRYLIC marker range to offer all 24 matt colors in the series (21 shock colors+Iron Curtain+Gravel+Outline Silver) as 180ml and 25ml ink. The ACRYLIC Refills are the same high quality water based paint that are non-toxic, ACMI approved and wearing the AP mark. Not only perfect for refilling your Montana ACRYLIC Markers, the Montana ACRYLIC COLORS also offer a wide variety of possible application techniques such as air brushing, mixed

- applicable with brush

- dilutable with water
- UV-resistant + weatherproof
- high covering and quick drying
- interior and exterior use

The New Montana ACRYLIC Marker Line

High quality water-based paint markers & colors

Montana GOLD 400ml Spraypaint conforms to ASTM D-4236 but does not carry the AP Seal!

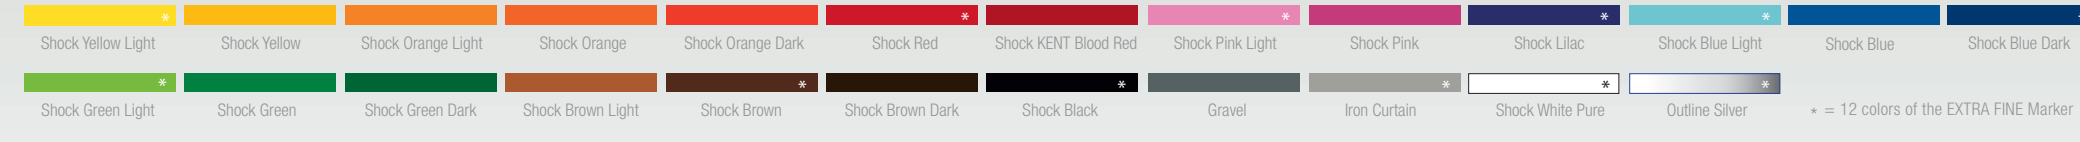

New Montana ACRYLIC Marker

The new Montana ACRYLIC marker range consists of high quality water based paint and is available in 24 (12 for EXTRA FINE) vibrant colors that match to corresponding colors in the Montana GOLD spray paint series (for best results, apply Montana GOLD gloss varnish to finished work to achieve best color match). The series consists of 21 Montana GOLD's Shock colors as well as Outline Silver and the grey tones, Iron Curtain and Gravel. The paint is light-fast, water proof and abrasion proof allowing application to almost any surface. The markers tip sizes are available in 15mm (standard) as well as 30mm and 50mm (30/50mm only in black and silver) with quality felt tips. Replacement tips for the 15mm range are also available. The optimum flow control pump-valve system allows accurate handling and application. Containing 20ml of paint in each marker, the transparent marker bodies allow for easy assesment of remaining marker content. The new Montana ACRYLIC Marker range is ACMI approved and carries the AP mark of non-toxicity. All Models also available as EMPTY Markers. All colors available as refill bottles.

Due to a different paint base between ACRYLIC markers (water-based) and Montana GOLD spray paint (solvent-based), for best color matching results please apply a coat of Montana GOLD 400ml gloss varnish for one even finish!
